

The Museum of Science and Sustainability

Help! We need a logo!

The Museum of Science and Sustainability (The MoSS) was founded in 2008 to encourage and support environmental science and better, more sustainable, living practices. We participate in ongoing research and development of sustainable products, educate the general public about our research, and provide a venue for others to share their findings. Some exhibits will be hands on — exactly what you'd expect from a science museum. Others exhibits will be actual buildings you can walk through to experience energy-efficient structural systems. For more about MoSS, see our website at: www.themoss.org.

LOGO CONTEST GUIDELINES:

- Entrants must be a high school or college student at the time of entry for the primary logo contest; elementary school or middle school for the children's contest.
- All designs must include the words "The Museum of Science and Sustainability" or "The MoSS," and no other words or numbers.
- The design you submit must be your own original creation and not previously used.
- All entries become the property of the MoSS and will not be returned.
- If your design is chosen, you will be expressly granting the MoSS full and complete ownership of the design to adapt for a logo, advertising, signage, or any other purpose.
- The MoSS is not responsible for lost, late, or damaged entries.
- Deadline for entries is 10/15/2010.
- Ten finalists will be notified within six weeks of the deadline.

ENTRY FORMAT:

- Include your name, address, phone number and email if available.
- Include your current student status and the name of the school in which you are enrolled.
- You may include a short explanation of your design (optional).
- Electronic submissions: 300 dpi 24-bit RGB color TIF, BMP, or JPG graphic.
- Hardcopy submissions: design should be drawn on an 8½" x 11" sheet of white paper.
